** IMPORTANT INFORMATION AND REQUIREMENTS **

ALL persons planning to attend the IVC Charity Golf Outing must provide ALL information requested on the enclosed registration form no later than Wednesday, September 13, 2017. Because the Selfridge golf course is located on a secured military base, it is required that IVC submits a full guest list containing the full legal name, date of birth and drivers license number for each person who plans to attend. IVC will keep this information private and secure. While this may seem a slight inconvenience, we promise you will not regret having this unique opportunity to golf at the Selfridge ANG Golf Course. If you are not sure who will be attending the outing with you just yet, you may send in this commitment and payment now to hold your spot and then send in the registration form **by Wednesday, September 13, 2017.** We suggest providing information for alternate players as well if you are not sure who will play the day of the outing. Don't forget to include those arriving for dinner only as well.
