GENEROUSLY SPONSORED BY:

The Interfaith Volunteer Caregivers program (IVC) is a non-profit 501(c)(3) organization that matches volunteers with older and disabled adults to provide a variety of services such as: transportation, errands, minor home repairs, chores, housekeeping, supportive visits and calls, respite breaks for full-time family caregivers, and other assistance that can help someone to remain safely independent at home. Because more than half of those we serve live at or near the poverty level, we do not charge for our services. All proceeds from this fundraiser will go to provide assistance to those in need of our services. Find out more about our work in the community at www.ivcinfo.org.
