

Have Car, Will Travel! ... Become a Volunteer Driver

- Help an older, frail or disabled person get to important appointments.
- Choose the time that fits your schedule.
- Use your own vehicle.
- Drive in the areas that are familiar to you.
- Gain personal reward and satisfaction.

You can make a difference in someone's life by providing rides to medical appointments, shopping and other essential errands. Use your own vehicle, in your spare time. You pick the days and hours that are convenient for you and the areas in which you are willing to travel. There is no hands-on care required, just accompany someone to the store or to an appointment. This will enable many older, frail or disabled adults to get the medical attention, groceries and other support they need.
